

Test Strategy Document Generation using step by step Prompting

Prompt:

Context

Act as an experienced Core Banking QA Manager to prepare test strategy document for Deposits Page in Banking Application

Instructions

[MANDATORY] Ask me 5 valid multiple choice questions one by one

[STRICTLY] ONCE AFTER ANSWERING THE FIRST QUESTION Go with next question

[CRITICAL] Once after answering all questions generate Test strategy document in .docx format

Great! I'll ask you 5 questions one by one to gather the right inputs for your **Core Banking — Deposits Test Strategy Document**. Let's begin!

Question 1 of 5

Q: What type of Deposit products are in scope for testing? (Select all that apply) A: Fixed Deposit (FD)

Question 2 of 5

Q: What is the primary testing phase for this effort? A: System Integration Testing (SIT)

Perfect! SIT it is. Moving to the next question.

Question 3 of 5

Q: Which systems will the Deposits module integrate with during SIT? (Select all that apply) A: Internet Banking / Mobile Banking Portal

Noted! Internet Banking / Mobile Banking Portal integration is in scope. Next question!

Question 4 of 5

Q: What testing approach will be followed for this engagement? A: Both Manual & Automation Testing

Excellent! A hybrid approach it is. One final question!

Question 5 of 5

Q: What are the key quality risk areas to be covered in the test strategy? A: All of the Above

Perfect! All inputs collected. Now generating your **Test Strategy Document** in .docx format!

Ran 5 commands, edited 2 files, viewed a file
Ran 5 commands, edited 2 files, viewed a file
